Purpose of the Conspiracy

The purpose of this conspiracy was to unlawfully acquire firearms here in the United States on behalf of other individuals in Mexico. The firearm acquired in this manner was a M249s, belt-fed, semi-automatic rifle.

The Means and Methods of the Conspiracy

It was part of the conspiracy that the defendant would receive cash from a co-conspirator to purchase certain firearms here in the District of Arizona on behalf of other co-conspirators located in Mexico.

It was a further part of the conspiracy that, in purchasing the firearms, the defendant would pay considerably more than market value to acquire weapons for his co-conspirators in Mexico.

It was a further part of the conspiracy that certain co-conspirators would provide instructions and guidance to the defendant about the types of weapons to purchase.

It was a further part of the conspiracy that, following the firearm purchase, the defendant would transfer possession of the firearm(s) to other co-conspirators who would then transport the weapons into Mexico.

Overt Acts

In furtherance of the conspiracy, one or more of the co-conspirators committed, or caused to be committed, the overt acts described below:

On or before August 23, 2023, a co-conspirator gave \$23,000.00 in U.S. currency to the defendant in order to purchase a M249s belt-fed semi-automatic firearm.

Before August 23, 2023, the defendant communicated with undercover agents posing as firearm sellers and negotiated with them for the purchase of multiple weapons that the defendant intended to deliver to co-conspirators in Durango, Mexico.

On August 23, 2023, the defendant arrived at a pre-determined location near Tucson, Arizona and adding \$2,000 of his own money to the \$23,000 given to the defendant from a co-conspirator and purchased the M249s from the undercovers for \$25,000.

All in violation of Title 18, United States Code, Section 371.
